Summary

Curious coder and software engineer skilled in the full stack. I'm always learning to bring valuable solutions to the table. I enjoy tackling complexities and finding practical solutions to enhance functionality.

Experience

FullStack developer Freshbuzar [live](#) **June 2024- Dec 2024**

- Transformed the static freshbuzar site to fully dynamic site using react-query, and context API. Developed and integrated a complete cart feature and implemented seamless order processing workflows.
- Enhanced site performance by 40% through optimized server-side rendering and static site generation techniques, and successfully integrated online payment gateways to streamline the purchasing process..
- Developed and successfully delivered user-friendly responsive landing pages along with other pages like contact, services, product etc for several clients using Figma.

FullStack developer intern, Infloso **March 2024 - May 2024**

- Developed UI screens for user authentication and Implemented both credential-based and OAuth authentication mechanisms using React, Next.js, NextAuth, Tailwind CSS, Figma, NextUI, and TypeScript.

Technical Skills

- Languages : HTML , CSS , Javascript , **Typescript** , MYSQL , Python
- Front-End : **React , NextJS** , Redux-toolkit, Zustand , TailwindCSS, React-query, **ShadCN UI** , Material UI
- Back-End : NodeJS , Express , MongoDB , PostgreSQL ,
- Tools : VScode, git , github, Postman , Docker , **Figma**

Education

Keshav Mahavidyalaya , Delhi University **June 2017- July 2020**
B.Sc.(H) Computer Science - CGPA 7.5

Projects

SpendCraft UI [Live](#)
Implemented a polished, responsive seven-page user interface by meticulously translating Figma designs into high-quality code. Leveraged modern technologies, including React, Next.js, Tailwind CSS, and ShadCN UI, to deliver a seamless user experience.

Soft skills | Certificates

- Personality skills: Problem Solving , Teamwork , Creativity , Effective Communication
- Solved **250+ DSA** questions on [leetcode](#).
- Achieved HackerRank Certificates in [Frontend developer](#) and [JavaScript Intermediate](#)
